

## **REGION 8**

### **Austria Section**

#### **Prof Helmut Rott**

University of Innsbruck  
Institute of Meteorology and Geophysics  
Innrain 52  
Innsbruck, A-6020, Austria  
[helmut.rott@uibk.ac.at](mailto:helmut.rott@uibk.ac.at)

*for contributions to microwave techniques for evaluating climate change*

---

### **Benelux Section**

#### **Prof Cor Claeys**

IMEC  
Kapeldreef 75  
Leuven, 3001, Belgium  
[claeys@imec.be](mailto:claeys@imec.be)

*for contributions to semiconductor device physics, defect engineering, and low frequency noise characterization*

#### **Prof Piet Demeester**

Ghent University - IBBT  
Gaston Crommenlaan 8  
Gent, B-9050, Belgium  
[piet.demeester@intec.ugent.be](mailto:piet.demeester@intec.ugent.be)

*for contributions to optical communication networks and technologies*

#### **Dr Jean-Pierre Hermand**

Universite libre de Bruxelles (U.L.B.)  
Dreve des Weigelias 11  
Watermael-Boitsfort, Bruxelles, 1170, Belgium  
[jpherman@ieee.org](mailto:jpherman@ieee.org)

*for contributions to geoacoustic inversion techniques for adaptive signal processing in ocean acoustics*

#### **Dr Jose Pineda-De-Gyvez**

NXP Semiconductors  
High Tech Campus 37, 2nd Floor  
Eindhoven, Noord Brabant, 5656 AE, The Netherlands  
[jose.pineda.de.gyvez@nxp.com](mailto:jose.pineda.de.gyvez@nxp.com)

*for contributions defect oriented testing of integrated circuits*

#### **Prof Sabine Van Huffel**

Katholieke Universiteit Leuven  
Dept. of Electrical engineering (ESAT), Division SCD  
Kasteelpark Arenberg 10  
Leuven, B-3001, Belgium  
[sabine.vanhuffel@esat.kuleuven.be](mailto:sabine.vanhuffel@esat.kuleuven.be)

*for contributions to total least squares fitting and computational biosignal processing*

---

## Denmark Section

### Prof Ramjee Prasad

Aalborg University

Niels Jernes Vej 12, A5-105

Aalborg, 9220, Denmark

prasad@es.aau.dk

*for leadership in developing personal wireless communications technologies*

---

## Finland Section

### Mr Jorma Nieminen

Benefon Oyj

Iilikentie 12

Halikko, 24800, Finland

jorma.nieminen@benefon.fi

*for contributions to development of the mobile communications industry*

---

### Dr Niilo Saranummi

VTT Technical Research Centre of Finland

PO Box 1300

Tampere, 33101, Finland

Niilo.Saranummi@vtt.fi

*for leadership in biomedical engineering and biomedical information technology*

---

## France Section

### Mr Jean-Pierre Berenger

Centre d'Analyse de Defense

16 bis, Avenue Prieur de la Cote d'Or

Arcueil, 94110, France

berenger@cad.etcia.fr

*for contributions to perfectly matched layer absorbing boundary condition in computational solutions of Maxwell's equations in open regions*

---

### Prof Claude Berrou

TELECOM Bretagne (Institut TELECOM)

Technopole de Brest-Iroise, CS 83818

Brest, F-29238, France

Claude.Berrou@enst-bretagne.fr

*for invention of turbo codes, generalization of the turbo principle in receivers, and influence in standardization*

---

### Prof Lucian Dascalescu

University of Poitiers

IUT d'Angouleme

4 Avenue De Varsovie

Angouleme, 16021, France

ldascalescu@iutang.univ-poitiers.fr

*for contributions to the modeling of electrostatic processes in the recycling and mineral processing industries*

**Prof Raymond Quere**

XLIM

123, Avenue Albert Thomas  
Limoges, Cedex, 87060, France  
[raymond.quere@xlim.fr](mailto:raymond.quere@xlim.fr)

*for leadership in device characterization and computer aided design microwave engineering*

---

**Germany Section****Prof Georg Boeck**

Berlin University of Technology  
Microwave Engineering  
Sekr. HFT 5-1, Einsteinufer 25  
Berlin, 10587, Germany  
[boeck@tu-berlin.de](mailto:boeck@tu-berlin.de)

*for contributions to radio frequency and microwave integrated circuits and systems*

**Dr Aleksander Braginski**

Research Center Juelich, Germany  
ISG, Institut fur Schicht- und Grenzflaechen  
FZJ, Forschungszentrum Julich  
Juelich, D-52428, Germany  
[a.braginski@t-online.de](mailto:a.braginski@t-online.de)

*for leadership in research and development in magnetics and applied superconductivity*

**Prof Manfred Depenbrock**

Ruhr-University Bochum  
Lupinenweg 1  
Bochum, NRW, 44797, Germany  
[depenbrockm@netscape.net](mailto:depenbrockm@netscape.net)

*for contributions to the theory of electrical power under nonsinusoidal conditions and to direct methods for control of motor drives*

**Prof Gerhard Fettweis**

Technische Universita Dresden  
Vodafone Chair, Mommsenstr. 13  
Dresden, Saxony, 1062, Germany  
[gerhard.fettweis@tu-dresden.de](mailto:gerhard.fettweis@tu-dresden.de)

*for contributions to signal processing algorithms and chip implementation architectures for communications*

**Dr Wolfgang Heinrich**

Ferdinand-Braun-Institut  
Gustav-Kirchhoff-Strasse 4  
Berlin, 12489, Germany  
[Wolfgang.Heinrich@FBH-Berlin.de](mailto:Wolfgang.Heinrich@FBH-Berlin.de)

*for contributions to the modeling of coplanar microwave and millimeter-wave integrated circuits*

**Prof Uwe Helmke**

University of Wuerzburg  
Institute of Mathematics  
Wuerzburg, D-97074, Germany  
[helmke@mathematik.uni-wuerzburg.de](mailto:helmke@mathematik.uni-wuerzburg.de)

*for contributions to geometric methods, tracking and estimation in control systems*

**Prof Arne Jacob**

Hamburg University of Technology  
Institute of High Frequency Technology  
Denickestrasse 22  
Hamburg, 21073, Germany  
[jacob@tuhh.de](mailto:jacob@tuhh.de)

*for contributions to the characterization and application of composite materials*

**Ludger Klinkenbusch**

Christian-Albrechts-Universitaet Zu Kiel  
Faculty of Engineering, Institute for EIE  
Kaiserstr.2  
Kiel, D-24143, Germany  
[Klinkenbusch@ieee.org](mailto:Klinkenbusch@ieee.org)

*for contributions to spherical-multipole analysis of electromagnetic fields*

**Dr Rudolf Koch**

Infineon Technologies  
Pfarrer-Hobmair-Weg 13  
Oberhaching, D-82041, Germany  
[rudolf.koch@ieee.org](mailto:rudolf.koch@ieee.org)

*for contributions to complementary metal-oxide semiconductor analog circuits and data converters*

**Prof Ralf Koetter**

Institute for Communications Engineering  
Lehrstuhl fur Nachrichtentechnik  
Technische Universitat Munchen  
Munchen, Bavaria, D-80290, Germany  
[ralf.koetter@tum.de](mailto:ralf.koetter@tum.de)

*for contributions to coding theory*

**Prof Klaus Petermann**

Technische Universitat Berlin  
Sekr. HFT 4  
Einsteinufer 25  
Berlin, 10587, Germany  
[petermann@tu-berlin.de](mailto:petermann@tu-berlin.de)

*for contributions to optical communications technology*

**Prof Peter Vary**

RWTH Institute of Communication Systems and Data Processing  
Muffeter Weg 3a  
Room 206  
Aachen, 52074, Germany  
[vary@rwth-aachen.de](mailto:vary@rwth-aachen.de)

*for contributions to digital speech processing and coding*

**Prof Wolfram Wellssow**  
Siemens AG  
Dieselstrasse 2a  
Ketsch, D-68775, Germany  
[w.h.w@t-online.de](mailto:w.h.w@t-online.de)  
*for leadership in the development of software packages for electric power system analysis*

**Prof Hans-Joachim Wunderlich**  
University of Stuttgart  
Institut fuer Technische Informatik, Pfaffenwaldring 47  
Stuttgart, 70569, Germany  
[wu@informatik.uni-stuttgart.de](mailto:wu@informatik.uni-stuttgart.de)  
*for contributions to very-large-scale-integration circuit testing and fault tolerance*

---

## Greece Section

**Dr Nicholas (Nikos) Hatziaargyriou**  
Public Power Corporation  
Messinias, 14 , N. Philadelphia  
Athens, 14342, Greece  
[nh@power.ece.ntua.gr](mailto:nh@power.ece.ntua.gr)  
*for contributions to the dynamic performance and control of power systems with dispersed energy resources*

**Prof Nicholas Sidiropoulos**  
Technical University of Crete, Greece  
Department of Electronic & Computer Engineering  
Chania, Crete, 73100, Greece  
[nikos@telecom.tuc.gr](mailto:nikos@telecom.tuc.gr)  
*for contributions to signal processing for communications*

---

## Israel Section

**Prof Ron Kimmel**  
Technion - Israel Institute of Technology  
Computer Science Department  
Haifa, 32000, Israel  
[ron@cs.technion.ac.il](mailto:ron@cs.technion.ac.il)  
*for contributions to image processing and non-rigid shape analysis*

---

## Italy Section

**Prof Roberto Battiti**  
University of Trento, Italy  
Universita' di Trento  
Via Sommarive, 14  
Povo, Trento, 38100, Italy  
[battiti@dit.unitn.it](mailto:battiti@dit.unitn.it)  
*for contributions to machine learning techniques for intelligent optimization and neural networks*

**Prof Pasquale Daponte**  
Universita del Sannio  
Department of Engineering  
Palazzo Bosco, P.zza Roma  
Benevento, 82100, Italy  
[daponte@unisannio.it](mailto:daponte@unisannio.it)  
*for contributions to the metrology and standardization of analog to digital and digital to analog converters*

**Prof Paolo Fiorini**  
University of Verona  
Department of Computer Science  
Strada le Grazie, 15  
Verona, 37134, Italy  
[paolo.fiorini@univr.it](mailto:paolo.fiorini@univr.it)  
*for contributions to mobile robot navigation in dynamic environments*

**Prof Andrea Lacaita**  
Politecnico di Milano  
Dipartimento di Elettronica e Informazione (DEI)  
Via F. Dall'Ongaro, 5  
Milano, I-20133, Italy  
[andrea.lacaita@polimi.it](mailto:andrea.lacaita@polimi.it)  
*for contributions to modeling of single-photon avalanche-diodes and non-volatile memory devices*

**Prof Matteo Pastorino**  
Department of Biophysical and Electronic Engineering (DIBE)  
University of Genoa  
Via Opera Pia 11/A  
Genova, 16145, Italy  
[pastorino@dibe.unige.it](mailto:pastorino@dibe.unige.it)  
*for contributions to analysis of electromagnetic scattering*

**Prof Dario Petri**  
University of Trento  
via Sommarive 14  
Povo, Trento, 38050, Italy  
[petri@disi.unitn.it](mailto:petri@disi.unitn.it)  
*for contributions to digital signal processing techniques for instrumentation and measurement*

**Prof Sebastiano Serpico**  
University of Genova  
Dept. of Biophysical & EE (DIBE)  
Via Opera Pia 11A  
Genoa, I-16145, Italy  
[sebastiano.serpico@unige.it](mailto:sebastiano.serpico@unige.it)  
*for contributions to pattern recognition for remote sensing image analysis*

**Prof Enrico Zanoni**

Universita' di Padova, Italy

Dipartimento di Ingegneria dell'Informazione

DEI, Via Gradenigo 6/A

Padova, 35131, Italy

zanoni@dei.unipd.it

*for contributions to reliability of compound semiconductor devices*

---

**Kuwait Section****Prof Mohsen Guizani**

Western Michigan University

Department of Computer Science

4601 Campus Dr. (B-264 Parkview)

Kalamazoo, MI, 49008-5200, U.S.A.

mguizani@ieee.org

*for contributions to quality of service in broadband and ad hoc wireless networks*

---

**Qatar Section****Prof Mohamed Alouini**

Texas A&M University at Qatar

Education City

Doha, PO Box: 23874, Qatar

alouini@qatar.tamu.edu

*for contributions to design and performance analysis of wireless communication systems*

---

**Russia (Siberia) Section****Prof Nikolai Voropai**

Energy Systems Institute

130, Lermontov Str.

Irkutsk, 664033, Russia

voropai@ieee.org

*for contributions to power system planning and emergency analysis and control*

---

**Spain Section****Prof Francisco Ares**

Universidad de Santiago de Compostela

Departamento de Fisica Aplicada

Facultad de Fisica, Campus Sur

Santiago de Compostela, A Coruna, 15782, Spain

faares@usc.es

*for contributions to antenna array pattern synthesis*

---

**Dr Juan Martin-Sanchez**

National Distance Education University

ADEX, S.L. Centro de Empresas La Arboleda

Ctra. de Valencia, Km 7,3 Madrid 28031

Madrid, Comunidad Automa de Madrid, 28040, Spain

juanms@ieee.org

*for contributions to adaptive predictive control methodologies*

---

## **Switzerland Section**

### **Prof Helmut Boelcskei**

ETH Zurich

Sternwartstrasse 7

Zurich, 8092, Switzerland

[boelcskei@nari.ee.ethz.ch](mailto:boelcskei@nari.ee.ethz.ch)

*for contributions to multiple input/multiple output wireless communication and filter bank theory*

### **Dr Dragan Damjanovic**

Ecole Polytechnique Federale de Lausanne

EPFL STI IMX LC

MXD 236, Station 12

Lausanne, Vaud, CH-1015, Switzerland

[dragan.damjanovic@epfl.ch](mailto:dragan.damjanovic@epfl.ch)

*for contributions to piezoelectric ceramics and single crystals*

### **Prof Jean-Pierre Hubaux**

Ecole Polytechnique Federale, Lausanne (EPFL)

School of Computer & Communication Sciences

Station 14

Lausanne, CH-1015, Switzerland

[jean-pierre.hubaux@epfl.ch](mailto:jean-pierre.hubaux@epfl.ch)

*for contributions to wireless security*

### **Dr Peter Steimer**

ABB Ltd.

Power Electronics & Drives Division

Austrasse

Turgi, Aargau, 5300, Switzerland

[peter.steimer@ch.abb.com](mailto:peter.steimer@ch.abb.com)

*for leadership in high power converters and drive systems*

---

## **Turkey Section**

### **Prof Levent Gurel**

Bilkent University

Dept. of Electrical and Electronics Engineering

Bilkent, Ankara, TR-06800, Turkey

[ligurel@ieee.org](mailto:ligurel@ieee.org)

*for contributions to fast methods and algorithms for computational electromagnetics*

### **Prof Levent Sevgi**

Dogus University

Electronics and Communications Engineering Department

Zeamet Sokak, No. 21, Acibadem - Kadikoy

Istanbul, 34722, Turkey

[lsevgi@dogus.edu.tr](mailto:lsevgi@dogus.edu.tr)

*for contributions to surface-wave radar systems*

---

## U.K.& Rep of Ireland Section

### Prof Bashir Al-Hashimi

University of Southampton

School of Electronics and Computer Science

Southampton, Hampshire, SO17 1BJ, UK

[bmah@ecs.soton.ac.uk](mailto:bmah@ecs.soton.ac.uk)

*for contributions to low power integrated circuits and systems*

### Dr Alessandro Astolfi

Imperial College London

EEE Department

London, SW7 2AZ, UK

[a.astolfi@ic.ac.uk](mailto:a.astolfi@ic.ac.uk)

*for contributions to nonlinear control theory and its applications to mechanical, electromechanical and power systems*

### Prof Sheng Chen

University of Southampton

School of Electronics & Computer Science

University Road

Southampton, Hampshire, SO17 1BJ, UK

[sqc@ecs.soton.ac.uk](mailto:sqc@ecs.soton.ac.uk)

*for contributions to intelligent learning systems and adaptive signal processing for communications*

### Dr Alan Clements

University of Teesside, England

12 Merrington Ave

Middlesbrough, Tees Valley, TS5 8RH, UK

[alanclements@ntlworld.com](mailto:alanclements@ntlworld.com)

*for contributions to computer science education*

### Prof Rodney Coates

Seiche, Ltd.

Swallow Court

Trefor

Holyhead, Anglesey, LL65 4TA, UK

[rcoates@seiche.com](mailto:rcoates@seiche.com)

*for contributions to underwater acoustics education*

### Prof Martin Dawson

University of Strathclyde

Institute of Photonics

Wolfson Building

Glasgow, Scotland, G4 0NW, UK

[m.dawson@strath.ac.uk](mailto:m.dawson@strath.ac.uk)

*for contributions to compound semiconductor optoelectronics*

**Prof Orla Feely**

University College Dublin  
Engineering and Materials Science Centre  
Belfield  
Dublin, 4, Ireland  
[orla.feely@ucd.ie](mailto:orla.feely@ucd.ie)

*for contributions to nonlinear discrete-time circuits and systems*

**Prof Nicholas Jennings**

University of Southampton  
School of Electronics and Computer Science, Highfield Campus  
Bldg. 59 Zepler, Salisbury Road  
Southampton, SO17 1BJ, UK  
[nrj@ecs.soton.ac.uk](mailto:nrj@ecs.soton.ac.uk)

*for contributions to multi-agent systems*

**Prof Emil Levi**

Liverpool John Moores University  
School of Engineering  
James Parsons Building , Byrom Street  
Liverpool, Merseyside, L3 3AF, UK  
[E.Levi@ljmu.ac.uk](mailto:E.Levi@ljmu.ac.uk)

*for contribution to vector control of induction motor drives*

**Prof Wayne Luk**

Imperial College London  
Department of Computing  
180 Queen's Gate  
London, SW7 2RH, UK  
[wl@doc.ic.ac.uk](mailto:wl@doc.ic.ac.uk)

*for contributions to reconfigurable computing*

**Prof Steve Young**

Cambridge University Engineering Department  
Trumpington Street  
Cambridge, CB2 1PZ, UK  
[sjy@eng.cam.ac.uk](mailto:sjy@eng.cam.ac.uk)

*for contributions to speech processing, speech recognition and spoken dialogue systems*

**Prof Zi-Qiang Zhu**

University of Sheffield  
Dept. of Electronic & Electrical Engg.  
Mappin Street  
Sheffield, S1 3JD, UK  
[z.q.zhu@sheffield.ac.uk](mailto:z.q.zhu@sheffield.ac.uk)

*for contributions to analytical modeling of permanent magnet brushless machines*

---

## **Ukraine Section**

### **Prof Konstantin Lukin**

National Academy of Sciences of Ukraine (IRE NASU)

Usikov Institute for Radiophysics and Electronics

12 Acad. Proskura Street

Kharkov, 61085, Ukraine

[lukin@ire.kharkov.ua](mailto:lukin@ire.kharkov.ua)

*for contributions to research in noise and chaotic waveform radars*

### **Prof Felix Yanovsky**

National Aviation University (NAU)

1 Prospect Komarova

Kiev, 3680, Ukraine

[yanovsky@i.com.ua](mailto:yanovsky@i.com.ua)

*for contributions to airborne radar for flight safety*
