

Students: Energize Your Future!

Join the IEEE Power & Energy Society for FREE!

This offer ends 15 August 2011

With over 24,000 members around the globe representing every facet of the electric power and energy industry, PES is at the forefront of the rapidly changing technological advancements that impact everyone's future.

LEARN about current research and applications of recent technologies such as wind, photovoltaics, fuel cells, distributed generation, flexible AC transmission, energy storage, SmartGrids, and more.

STAY INFORMED about the latest developments in traditional technologies and the new opportunities created as today's technological and financial situations impact the power and energy industry.

NETWORK with experienced professionals in all aspects of the industry at local, regional and international meetings. Save really big on conference registration fees, too. Some are even free!

If you have not previously been a PES member, we'd like to introduce you to the benefits of membership by offering the FIRST YEAR FREE.

To be eligible for this offer you must be an IEEE Student Member. See details below about adding PES membership to your existing IEEE Student membership, or about joining both IEEE and PES.
