Future activities

Find support from IEEE Foundation (and possibly others)

Promote VCF towards more low income sections
Make sure that the support goes to the member when the lab does not pay

Points of concern / Topics for future discussion

- Few sections ask for many requests
  Tunisia 10
  Ukraine 5
  Nigeria 2
- Several requests for the same section for the same event
  Limitation to $1,000.00 per event for one section
- Whose benefit? The member or the lab?
