

IEEE GOLD R8 GOLD Track – Evaluation by attendees

Place: Region 8 Student Branch and GOLD Congress, Madrid, Spain

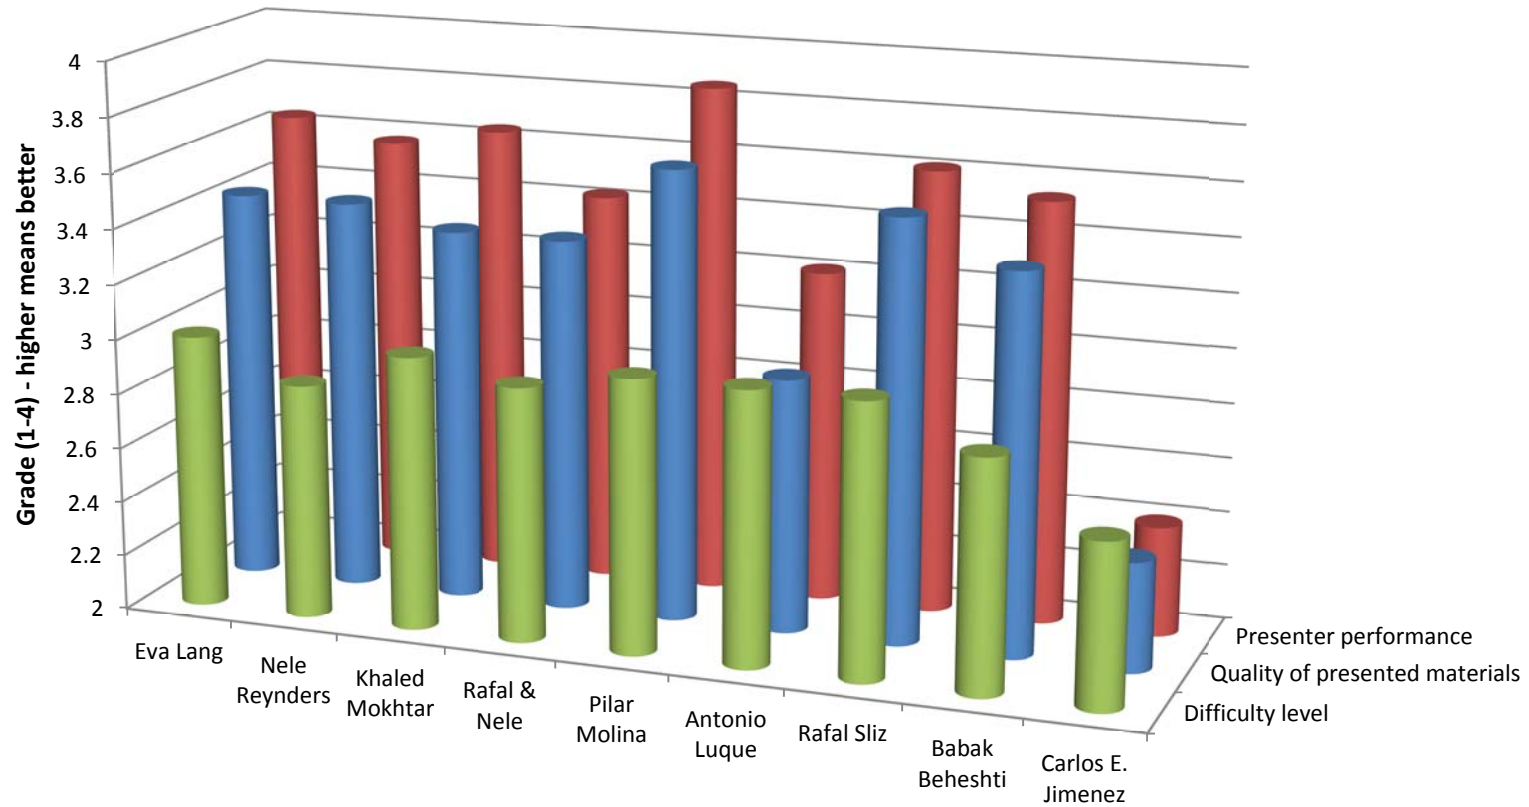

Date & Time: 26-27.07.2012

GOLD Track consisted:

	Lecturer	Topic
1	Eva Lang	Introduction to MGA GOLD
2	Nele Reynders	Introduction to GOLD Region 8
3	Khaled Mokhtar	W1: Event planning
4	Rafal & Nele	Region 8 OpCom for young professionals
5	Pilar Molina	GOLDen young professionals
6	Antonio Luque	Importance of MD for GOLD members
7	Rafal Sliz	W2: How to maintain GOLD to keep it shiny?
8	Babak Beheshti	GOLD collaboration with other entities
9	Carlos E. Jimenez	W3: The strategic planning

- Attendees were asked to fill the feedback form in order to improve the quality of future events organized by R8 GOLD and local committees.
- The form contained multi-choice evaluation of presented materials, presenter performance, and difficulty level of materials. First two were evaluated from 1-4 (1-Worst, 4-Best). The difficulty level was evaluated in the scale from 1-4 (1-too difficult, 4- too easy).
- Additionally, attendees had a chance to share their comments in the form.

GOLD Track Evaluation by Attendees

4. Most common comments of attendees:
 - a. Too hot, no A/C in the rooms,
 - b. Lack of fresh water during every workshop,
 - c. Logo of IEEE 125years in the first presentation,
 - d. Best practises and available resources workshop missing,
 - e. Membership Development – too much data,
 - f. More interaction with attendees.
